Re: MUR 5909  
Arizona Republican Party

Dear Ms. Dillenseger:

I am writing in response to Mr. Robert D. Lenhard's letter of April 17, 2007. My predecessor, Mr. Kirk Adams, was the Treasurer at the time that a possible infraction occurred. I was unaware of the matter until your letter was forwarded to me for review.

Based on my understanding of the facts, as put forth in your letter, it would appear that a mistake was made on the April 20, 2006 Report filed by the Arizona Republican Party and was corrected voluntarily, in less than thirty days, by an Amendment on May 17, 2006.

It appears that my predecessor made a mistake and corrected it quickly and voluntarily. We should not have to pay a fine given this set of facts. There was no harm; therefore, there should be no foul.

Very truly yours,

Timothy Lee, Treasurer  
Arizona Republican Party
